This document is to confirm that a customer has a valid travel insurance policy if the above-mentioned requirements are fulfilled. This confirmation is not an insurance policy. No claims may be made based on this document.

Coverage: Acute illnesses or accidents and repatriation are covered by this insurance in accordance with the policy terms and conditions. Please read the terms and conditions for exact details about the benefits and exclusions. In cases that incur minor costs, the insured must first meet these costs himself/herself before subsequently applying for indemnity upon his/her return from the trip by presenting the original receipts.

In case of an emergency: Falck is an emergency assistance company that provides assistance to the insured in serious medical emergencies. The insured should only contact Falck in serious medical emergencies or when indemnification requires the prior approval of Falck before the treatment or other service can be arranged or commenced.
